

## Workforce Development

**Britepaths and the Financial Empowerment Center offer workforce development assistance to help job seekers navigate the job search process and find meaningful employment.**

## Which Program is Right For You?

### Workforce Development Program:

Offers assistance with:

- Job and career identification and planning;
- Referrals to educational, job training, or professional certification programs, if needed;
- Resume review;
- Workshops focused on career development and job search strategies;
- Professional and social networking guidance and invitation to events;
- Financial literacy and budgeting workshops or coaching, if needed;
- Participation in Network Up, when appropriate.

If you live in Alexandria or near the Route 1 corridor, contact **Sally Meyer** to schedule an appointment. For all other areas of Fairfax County, contact **Jill Beres**.

### Network Up:

A short-term mentoring program that matches a job seeker with a volunteer mentor. Together, you identify career goals, establish a job search strategy, and develop professional networking connections.

If you live in Alexandria or near the Route 1 corridor, contact **Sally Meyer** to schedule an appointment. For all other areas of Fairfax County, contact **Jill Beres**.

### Avenues to Career Training (ACT) — Healthcare:

A partnership between Britepaths and Fairfax County Department of Housing, Progress Center, ACT is an 8-week program to prepare adults for certification programs in the healthcare field. It includes job-readiness skills with enrichment of math, reading and writing contextualized for healthcare, career exploration, computer training, and financial literacy. For more information, contact **Sally Meyer**.
