

Did you know that 80% of jobs are filled through *networking*?

All it takes is
3 Cups of Coffee®
To wake up your career!

With 3 Cups of Coffee®, you will be matched with an experienced professional who cares, and can steer you towards creating a network so you can begin to connect and build relationships with people in order to grow professionally. Developing a strong network is the key to accessing the hidden job market.

Relationship is everything!

Whether you want to climb new heights in your field or are ready to re-enter the workforce, you and your mentor will create a customized plan that identifies career goals, addresses weak spots and takes aim at job possibilities that are perfect for you.

Are You Eligible? *Must Have:*

- a resume
- specific career goals and/or desired job sector identified
- a minimum of high school diploma or GED
- basic computer skills, reliable Internet access, and a professional-looking email address
- a professional demeanor and positive attitude
