3 Cups of Coffee® is a short term mentoring program that matches job-ready men or women with a volunteer mentor. You will meet with your mentor three times at a local coffee shop or café for a one hour conversation focused on helping you create or expand your professional network.

Together, you and your mentor will create a customized plan that identifies career goals and job opportunities which building your networking connections.

Developing a strong network is key to accessing the hidden job market. Relationship is everything!

Are You Eligible to be a Mentee? *You Must Have:*

- a resume
- specific career goals and/or desired job sector identified
- a high school diploma or GED
- basic computer skills, reliable Internet access, and a professional-looking email address
- a professional demeanor and positive attitude

3 Cups of Coffee is NOT a job placement program. Rather, it is a wonderful workforce development opportunity.
