Britepaths' mission is to provide our Fairfax County area neighbors in need with short-term safety-net services and empower them to work toward long-term self-sufficiency. Britepaths' programs are designed to help individuals and families in the Fairfax County area who are struggling to make ends meet. Often, they are working hard, but they live paycheck-to-paycheck. Any kind of unexpected expense, such as a car repair, rent hike or medical expenses, can throw them into a financial crisis. Britepaths' primary programs *Stabilize Families* by providing short-term food and financial assistance and *Build Resilience* by providing mentoring, classes and longer-term guidance that help families help themselves out of their crisis and onto a path where they can plan for a stable future. Their *Seasonal Supports*, school supplies for students in need and holiday meals and gifts for children, relieve financial burdens and provide hope at a time when life is stressful and uncertain.
