## 2. MEDICAL CARE SERVICE FOR CHILDREN

### Virginia's Health Insurance Program for Children

#### 1. What are FAMIS and FAMIS Plus?

**FAMIS** is Virginia's health insurance program for children. It provides access to quality health services for children who do not have health insurance.

**FAMIS Plus** is Virginia's name for children's Medicaid. FAMIS Plus also provides great benefits and covers children in families with low or no income, even if the children are covered by health insurance.

When you apply for coverage, you children will be considered for both FAMIS and FAMIS Plus.

#### 2. Who qualifies?

Children may be eligible for FAMIS and FAMIS Plus if they:

- Live in Virginia
- Are under age 19
- Are U.S. citizens (some non-citizens also qualify) A parent's citizenship is not considered.
- Meet certain income criteria (see below)

#### FAMIS Income Limit (Gross)\*

Family Size	Monthly	Yearly
1	\$1,945	\$23,340
2	\$2,622	\$31,460
3	\$3,298	\$39,580
4	\$3,975	\$47,700
5	\$4,652	\$55,820

\*Effective January 22, 2014. Income limits are adjusted annually.  
Call for additional guidelines.

#### 3. How do I apply?

Applying for FAMIS and FAMIS Plus is easy.

- Just call toll-free **1-855-242-8282** to apply by phone. Interpreters are available.
- Apply online at [www.commonhelp.virginia.gov](http://www.commonhelp.virginia.gov)
- Download, print out and complete a paper application and mail it to the local Department of Social Services
- Visit the local Department of Social Services

For a list of document you will need when you apply, visit [www.coverva.org](http://www.coverva.org) and click on the apply page. You will be asked to provide proof of the children's immigration status if they are not U.S. citizens. If your child is a U.S. citizen, you will be asked to provide your child's Social Security number on the application.

#### 4. Cost to the Family?

There are no enrollment costs or monthly premiums for FAMIS. For some services, the family will have to pay a co-payment, but most co-payments are just \$2 or \$5. Some services like regular check-ups are free. There are no co-payments for FAMIS Plus.

#### **MCCP - Medical Care for Children Partnership Foundation**

## **General information - Free Insurance Enrollment Services**

### **Insurance Marketplace**

The Marketplace is designed to help you find health insurance that fits your budget with less hassle. Plans will be run by private companies and the federal government will provide an immediate tax credit to offset your costs. Benefits vary but you decide what is covered.

### **Medicaid**

Medicaid is a health insurance program funded by state and federal government that pays for health care for those with low incomes. Benefits vary but may include coverage for doctor/dental visits, prescriptions, well-child exams, immunizations, and prenatal care. Eligibility is based on age, income, residency status, disability, and pregnancy.

### **Children's Health Insurance Program**

Children's Health Insurance Program is a health insurance program funded by state and federal government that pays for health care for those with low incomes. Benefits vary but may include coverage for doctor visits, well-child exams, immunizations, and dental care. Families enrolled in the program pay co-pays at the doctor's office. Eligibility is based on age, residency, and income.

### **Medicare**

Medicare is a health insurance program funded by federal government that pays for health care for the elderly and disabled. Benefits vary but may include doctor visits, prescription medications and other services. Eligibility requires individuals to be 65 or older or a specific list of disabilities, and have lived in the USA for five years.
