

Google IT Support Professional & CompTIA A+ Certifications Program

Next cohort begins August 15, 2022 - December 20, 2022

Prepare for a career in the high-growth field of IT and earn both certifications at **NO COST** to you!

First step is to complete this [Interest Survey](#) by July 29, 2022. Your survey will be reviewed and if selected your attendance will be required at the information session August 4, 10:00am.

Be introduced to troubleshooting, customer service, networking, operating systems, and security - foundational IT skills required for entry-level jobs such as desktop support, IT support, data support technician, and more. Class is self-paced. You must be self-motivated!

Eligibility Requirements:

- Authorized to work in the U.S.
- Meet income guidelines
- Intermediate English proficiency
- Basic computer skills
- Desktop computer or laptop (limited computers available to borrow)
- Responsible and committed to logging into class virtually on time and attending every class.

Self-paced with once daily mandatory 5:00pm check-in with instructor.
Class meets Monday - Friday on Zoom.

In partnership with UWNCA, Fairfax County, and Britepaths
