

Google IT Support Professional & CompTIA A+ Certifications Program

Next cohort begins August 12, 2024- December 20, 2024

Prepare for a career in the high-growth field of IT and earn both certifications at **NO COST** to you!

Be introduced to troubleshooting, customer service, networking, operating systems, and security - foundational IT skills required for entry-level jobs such as desktop support, IT support, data support technician, and more. The class is self-paced. You must be self-motivated!

Eligibility Requirements:

- Authorized to work in the U.S.
- Meet income guidelines
- Intermediate English proficiency
- Basic computer skills
- Desktop computer or laptop (limited computers available to borrow)

Click the QR code to complete the Interest Survey by 5pm, July 5, 2024

Your survey will be reviewed and if selected your attendance will be required at one information session held July 16th, 17th, 23rd and 24th @ 10am.

Self-study class

You must have at least 5 hrs daily to commit to studying, preferably during the day.

Mandatory 5:00 pm virtual class time with instructor

You must be free from distractions during virtual class time with instructor!

In partnership with UWNCA, Fairfax County, and Britepaths
